**OBJECTION TO PROPOSED SETTLEMENT**

Now Comes JOHN N. PAVLIS and for OBJECTION TO PROPOSED SETTLEMENT in the above matter, and states as follows:

1. That JOHN N. PAVLIS is a duly licensed attorney, authorized to practice law in the State of Michigan and duly admitted to practice law in the United States Federal Courts.
2. That this OBJECTION TO PROPOSED SETTLEMENT is made in Proper Person as JOHN N. PAVLIS, is a member of the class affected by the Proposed Settlement as verified by

the attached Ameritrade Brokerage Account statement, attached hereto and made a part hereof.

3. That the this OBJECTION is made for two separate and distinct reasons.

A. That the first reason for the OBJECTION is that the compensation to be paid to the damaged Claimants in not only excessively small, it borders upon the ridiculous. Further but for the Attorneys' fees requested as hereinafter set forth, the amount to the damaged Claimant should be at the least, twice what is proposed in the Notice.

B. The second reason for the OBJECTION is that the attorneys have porposed outlandish and highly confiscatory fees; they are requesting 17% of each Settlement Fund; what is so magic about 17% and why shouldn't they be limited to 5% based on the hourly rate of the staff involved in the work. Legal or clerical

4. If the Court allows the fees suggested by the attorneys, then, in that event, the Court will be participating in the fleecing of the public and will only serve to further inflame the public feelings not only about Wall Street, but about attorneys who operate in that venue.

5. The Court must put a stop to this highway robbery and rule in favor of granting the Claimants a greater portion of the Settlement and not be persuaded by attorneys that the attorneys' fees proposed are fair and reasonable, as they are neither.

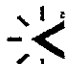

WHEREFORE, JOHN N. PAVLIS, prays that this Honorable Court deny the Settlement as proposed by the attorneys as it is highly unfair to all Claimants and decidedly slanted in favor of the attorneys who are requesting fees that are not only exorbitant, but more that the proposed fees and the small amount suggested for the Claimants shock the conscience.

Dated: August 17, 2011
